I do hereby certify that after careful examination
of Jas. W. Simmons, a private in the 1st Mass
Regt. 1st Infantry Regt of the West (Volunteers)
that I find him entirely unfit in my judgment
for Military Service, on account of Hemorrhoids
and Anal Hemorrhoids. He is some better
of Hemorrhoids; but will continue unable
to do Military ^{day} until he gets treatment or
radical cure for same - We all know the
uncertainty of the permanence of such
treatment - I am decided in the opinion
that it would be better to grant him a
discharge than to extend his furlough

[illegible]

It is a very common error
to suppose that the
only way to get rid of
the evil is to get rid of
the cause. It is not so.
The cause is the evil.

It is not the evil itself
that is the cause, but
the cause of the evil.
The cause of the evil is
the evil itself. It is not
the cause of the evil, but
the cause of the evil.
The cause of the evil is
the evil itself. It is not
the cause of the evil, but
the cause of the evil.
The cause of the evil is
the evil itself. It is not
the cause of the evil, but
the cause of the evil.

went to see the new state
representative and I was
told that they were coming
and that they were coming
they will come and they are
coming and you have some time
for their affairs. (Gloss)
to his honorable friend I hope
to be remembered even if I am
to be in the position of a
man and that are in my hands
left and out of sufficient money
of the year, I remain your
humble servant, John H. H. H.
to his honorable friend
H. H. H.

I have just received one
of the new books from your
place and to the same

is hereby granted leave of absence for twenty days, is hereby granted
to proceed beyond the limits of the Department.

This Leave of Absence is granted under section 31, of an act
entitled "An Act for enrolling and calling out the National Forces,
and for other purposes," approved March 3rd, 1863, and will be noted
accordingly on the proper Muster and Pay Rolls.

BY ORDER OF MAJOR GENERAL U. S. GRANT.

Wm S. Hamilton
Assistant Adjutant General

Extract from General Orders, A. G. O., War Department.

Any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave, shall, in addition to the penalties prescribed by law for a Court Martial, forfeit all pay or allowances during such absence.—Act of Congress, published in General Orders No. 73, Series 1863.

Officers absent from duty without leave or beyond the time of their leaves, will not be allowed to draw pay until a court or commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations.

When an officer returns to his command after having overstaid his leave of absence, he may be tried by a court-martial for this as a military offense, or a commission may be appointed by the commanding officer of his division, army corps, or army, as the case may be, to investigate his case, and to determine whether or not he was absent from proper cause; and if there should be found to be such proper cause, he will be entitled to pay during such absence. The proceedings of such commission will be sent to the Adjutant General of the Army for the approval of the Secretary of War, which commissions will consist of not less than three nor over five commissioned officers.—Gen. Order, No. 100, series 1863.

Copy of Report of Col. Andrews in case of

Report.

The whole proceeding in this case, taking
the facts as stated, was most irregular and
illegal. Col. Biswell appoints an extra Lieu-
tenant, as he states, by verbal authority of
Genl. Fremont, and the gentleman so appoint-
ed states that he acted as, 1st Lieutenant
accordingly. I cannot see how a gentleman
so appointed, can be legally compensated
without application to Washington, but sub-
mit the case, with the report to the Major

Friend

One of our officers is Second Lieutenant in
a Cavalry in the 100th Regiment of the West
1st Division. He is a young man of fine acquire-
ments, a good Engineer for his age and expe-
rience well acquainted with business affairs generally,
and possesses a good knowledge of the Army regulations
of good character and good morals. You will at-
tend to him as a good one. During last fall
he was with me at my staff as aide - and you
can readily imagine how great my loss was when
he was sent to the 100th Regiment - He was to some
extent a pleasure but perhaps not useful - I made
it known to Colonel M. D. in February last to
appoint him as Lieutenant in some Missouri
Regiment within this Department that I might
have him assigned to duty on my staff.
The Adjutant General of the Regiment filed a
statement in regard to the change for reason. I set forth
above I call your attention to the matter and
ask your influence to have it removed
I would like to have him in some company
in a Missouri Regiment within this Dept.
I am sure you will see the change as well as my

Adjutant Eng. Regt.
Sir.

On the 24th of November 1862 I accepted an appointment from the War Department of Captain and Aide de Camp. to rank as such, from the 14th day of November 1862. I immediately sent my resignation as 1st Lieut Engineer Regt. M. V. to the Adjutant General of the Army. It has just returned endorsed, that my position in the regiment is not vacated by the appointment. I do not wish to hold the position in the regiment and thereby keep some deserving officer out, as I will be mustered out, which it is my privilege to do, and will therefore vacate my position as 1st Lieut Eng. Regt. on the 20th Nov. 1862. the day previous to the date of acceptance of the Captaincy. - I have the honor to be Sir.

Very Respectfully

What is your opinion? The reason for the action is
the authority of Mr. Engstrom to the power of the company, but not
the collection of the money, and the officer and men of the company there for
the purpose of collecting, making it impossible for me to properly perform
my duty.

Memo

War Department,

Adjutant General's Office,

Washington, May 19th - 1865.

Sir:

In reply to your letter requesting a Descriptive List of John H. Thrombaugh, an Artificer in Company A, 1st Regiment Eng's Mts Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

John H. Thrombaugh, an Artificer in Company A, 1st Regiment of Eng's Mts Volunteers, is _____ years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 5th day of Aug, 1862, at the town of Paris in the State of Ill by Capt Coleman, and mustered into the service of the United States on the 5th day of Sept, 1862, at the town of St Louis in the State of Mo by Lieut Price, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of Jan & Feb 1865 (latest) that he was last paid by Paymaster Garret to the 31st day of Aug, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the Muster Roll of his Co for Jan & Feb 1865 he is reported present.

Very respectfully,

Your obedient servant,

Wm. H. Beck
Assistant Adjutant General.

(7)

To Surgeon in Charge
First Regt Genl Hapel
Miller Point Mo.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Received (A. G. Office.)

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to describe the degree of disability—as to, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

To Maj. Genl John Pope -

General -

Allow me to select this way
of making some complaints to you. I have been
exposed to the most degrading treatment, I ever
experienced in my life, for the last week or two, by
persons also connected with the army, who think them-
selves superior, because holding perhaps a commission.
When I offered my services to Col. Biffell, I little thought
that such would ever happen, receiving the assurance
from him, that he would see me properly placed.
I have been with Mr. Biffell in business before, for five
or six years, but it seems as if he had either forgotten
me now, for reasons I can hardly imagine, or was not
aware of my real position. I requested him also
some time ago, to have the kindness to see you, in
regard to my pay, having had a very difficult time in
managing my pecuniary matters, being not fortunate
enough to be independent in that respect. For the last
four months, I had the honor to be with you, I have had
at times comparatively heavy expenses, and I am at

present altogether out of means and in an almost destitute condition, having received, as long as I have been in the service (five months) only three months pay at \$13.00 a month and \$30 - Commutation of rations, while my necessary expenses, however economically managed, amount to four times that amount - Taking these matters into consideration, I am obliged to ask you, either to give me proper authority or to release me from my present duty, as I cannot possibly brook it any longer, for fear of losing my temper and committing something inconsistent with military rule. It may be perhaps unnecessary to state, that I am a regular graduate of technical sciences and the fine arts, having attended for six years the Polytechnic Institute of Hanover and the Collegium Carolinum of Brunswick, Germany, and that I am consequently neither accustomed to, nor worthy of such treatment -

Craving to excuse me for having perhaps unnecessarily engaged your valuable time and thanking you for your personal kindness always shown me, I have the honor to be

Captain J. M. Wilson Chief Engineer

Vicksburg, Miss.

Captain

Having been on Engineer duty at this Garrison since the 1st of October and being unable to draw my pay I allow me to address you and respectfully request that you will give your attention to the matter.

I wrote to Colonel James H. Wilson on this same subject a few days ago, but as I understand, that he is not at Genl Grant's H^q Quarters, to which place I addressed my letter, I will make the following statement to you:

When in Saint Louis, I accepted a commission as 1st Lieutenant Co. B. Engineer Regiment, on the 6th of September, in the Adjutant General's office and my orders were from that office to report to Maj. Genl. H. S. Grant for duty.

On my arrival at Vicksburg on the 2^d of October I reported to Genl Rawlins, who told me to report as usual to the Chief Engineer, but no Chief Engineer being present at the time, I was directed to report to the ranking officer, Capt. Kossack, which I did and who put me on duty as Engineer in charge of part of the new fortifications.

A few weeks ago I received a letter from the Colonel of my Regiment, ordering me to report to him and be mustered in. This letter and a written order from the Adjutant General of Mo. to report to Genl Grant, instead to the Colonel commanding my Regiment, I showed to Genl McPherson, who thereupon sent me the following order:

Vicksburg, Miss. Oct. 30th 1863
Head Quarters 17th A. C. Dep^t Tenn.

Lieut. P. Tunica

You will remain on duty in
your present position until you receive further
orders from the Head Quarters

By order of
Maj. Genl. M. C. Sherman
A. Hickman Corporal Capt 2nd
Chf Engr. 17th A. C.

With this order and my commission I went to the
mustering officer Lieut. Knox, who mustered
me in, dating from the 6th of September 1863,
the date of my acceptance of the commission

On the first of this month, I took these orders,
together with my muster-in roll, to the Paymaster
Maj. Browne, who refused to pay me, on account
of not having, as he said a "special Order"
detaching me from the Regiment from the
commanding General of the Department to which
my Regiment belongs.

Will you now please procure this order to
enable me to get along?

Hoping that you will, I have the honor to be

Very Respectfully
